3. Business Model of the Webshop

IMPORTANT NOTICE

The **uvctechnics.com** webshop supplies products **exclusively to businesses, companies, sole proprietors, institutions and other legal entities holding a valid VAT number.**

Sales to private individuals (consumers) are not available.

Providing a valid VAT number is a mandatory requirement for placing an order.

The Seller reserves the right to verify the VAT number and reject any order if the requirements are not met.

4. Formation of the Contract

The products, prices and information displayed on the website are provided for informational purposes only.

The Buyer's submitted order constitutes an offer to purchase.

The automatically generated confirmation e-mail merely confirms receipt of the order and does **not** create a binding contract.

A sales contract is concluded only upon the Seller's separate written acceptance of the order.

5. Individual Quotations

Unless otherwise specified, individual quotations issued by the Seller remain valid for **30 calendar days**.

Acceptance of a quotation must be made in writing.

6. Payment Terms

The following payment methods are available:

- Bank transfer in advance;
- Online card payment via SimplePay.

Cash on delivery is not available.

7. Advance Payment

The Seller will commence production, procurement, preparation or shipment of the ordered products only after the full purchase price and any applicable shipping charges have been received.

8. Delivery

Deliveries may be carried out by logistics partners including:

- GLS Hungary Ltd.
- DHL Express Hungary Ltd.

Delivery times indicated on the website are estimates only.

9. Receipt of Goods

Upon delivery, the Buyer shall inspect:

- the condition of the package;
- any visible external damage;
- completeness of the shipment.

If damage is detected, a written damage report should be prepared with the courier.

10. Fragile Products

The Seller applies special packaging procedures for fragile products, including but not limited to:

- UV-C lamps;
 - High Output UV-C lamps;
 - Amalgam UV-C lamps;
 - Quartz sleeves;
 - Quartz glass components.
-

11. Technical Information

Technical specifications, descriptions and photographs displayed on the website are provided for informational purposes only.

Verification of compatibility and suitability for the intended application is solely the Buyer's responsibility.

12. Professional Use

The products offered by the Seller are intended primarily for professional and industrial applications.

Installation and electrical connection should only be carried out by appropriately qualified personnel.

13. Warranty

Warranty conditions are determined individually by the manufacturer or the Seller depending on the product.

The warranty does not cover, among others:

- mechanical damage;
 - breakage;
 - incorrect electrical connection;
 - improper installation;
 - misuse;
 - damage caused by overvoltage;
 - use contrary to the intended purpose.
-

14. Limitation of Liability

The Seller shall not be liable for damages arising from:

- incorrect product selection;
 - incompatibility;
 - improper installation;
 - misuse;
 - failure to follow manufacturer instructions;
 - unauthorized modifications.
-

15. Exclusion of Consumer Withdrawal Rights

The webshop exclusively serves business customers.

Accordingly, the statutory **14-day consumer withdrawal right** applicable to consumers under consumer protection legislation does **not** apply.

The Buyer declares that purchases are made within the scope of its business or professional activities.

16. Intellectual Property

All content available on the website, including but not limited to:

- product descriptions;
- photographs;
- graphics;
- logos;
- technical documentation;
- databases;

is protected by copyright or other intellectual property rights.

Any unauthorized reproduction or use is prohibited.

17. Complaints

Complaints may be submitted in writing to:

info@uvctechnics.com

The Seller shall investigate complaints and provide a written response within a reasonable time.

18. Governing Law

These General Terms and Conditions shall be governed by the laws of Hungary.

The parties shall seek to resolve disputes amicably before initiating legal proceedings.

19. Final Provisions

The Seller reserves the right to amend these General Terms and Conditions at any time.

The current version shall always be available on the **<https://uvctechnics.com>** website.

Any matters not regulated herein shall be governed by the Hungarian Civil Code, applicable e-commerce legislation, and relevant Hungarian and European Union laws.
